Introduction

A legacy of
Industrial service excellence.

"Fadila Abdullah Al Faraj Contracting Est." is a company owned by **"Fadila Abdullah"** that has a long history of providing services to the commercial and industrial construction industries. We offer a wide range of services, including trading, subcontracting, maintenance, industrial construction, equipment rental, and industrial support. With our vast operational experience, reputation for creating new enterprises, and unwavering search for new prospects, we operate out of Al-Jubail in the Kingdom of Saudi Arabia. We firmly believe that keeping and pleasing our professional clients who recognize and appreciate the importance of time savings is essential to realizing our mission. Our perseverance and steadfast principles, which we all uphold, guarantee our company's longevity and ongoing prosperity.

About Our Safety and Quality Policy

Safety Policy

At Fadila Abdullah Al Faraj Contracting Est., we are fundamentally committed to providing a safe and secure work environment. This policy is mandatory for all employees, who share the responsibility for personal safety and the protection of company property.

Our Safety Awareness and Loss Prevention programs are key to achieving operational efficiency, maintaining international quality standards, and ensuring cost-effectiveness. We operate on the core principle that no task is so important that it should compromise the well-being of our personnel or risk damage to property. The elimination of recognized hazards is a top priority for management.

This commitment to safety begins during our hiring process and is reinforced through comprehensive safety orientation and continuous training for all staff.

Quality Policy

Our focus is on delivering exceptional quality because we value our clients' trust. We are dedicated to exceeding your expectations in everything we do.

To make this happen, we have a clear system in place:

- We actively listen to and act on client feedback.
- We carefully select and monitor our suppliers.
- We continuously train and develop our expert team.
- We regularly review our own processes to ensure we are always improving.

Equipment Supply

The Advantages of Our Products

Industrial Support

Whether your project requires technical experts or administrative staff, Fadila Abdullah Al Faraj Contracting Est. provides the skilled professionals you need. We support every phase of your project—from design to supervision—with experienced personnel available for temporary, contract, or permanent positions. Rely on our extensive experience serving industry leaders. Thanks to our large, up-to-date database of national professionals, we can quickly deploy the right talent to keep your operations moving forward without delay.

Why Partner with Fadila FAFCO ?

Streamlined Hiring Process: We provide pre-vetted, experienced professionals directly to you, eliminating the time-consuming and cumbersome process of internal recruitment, screening, and interviews.

Focus on Your Core Objectives: By entrusting your staffing needs to us, you can concentrate on the bigger picture—managing your project's strategic goals—while we handle the intricate details of personnel management.

A Reliable Manpower Partner: We act as your dedicated partner, expertly managing all your staffing requirements. This frees up your valuable time and internal resources to be used where they are most effective.

Rapid Mobilization and Flexibility: Our extensive, ready-to-deploy pool of talent ensures you can scale your workforce up or down on short notice. This allows you to meet urgent project deadlines and adapt perfectly to changing demands.

Maintenance

Fadila Abdullah Al Faraj Contracting Est. specializes in comprehensive maintenance services for general plant operations, including both rotating and static equipment. Our team of seasoned professionals excels in planning and executing cost-effective, time-efficient plant shutdowns and turnarounds for leading industrial firms. Through our meticulous maintenance planning process, we prioritize the safe and effective functioning of your equipment to ensure maximum operational uptime. Our core capabilities include plant modifications, vessel and tank repairs, heat exchanger retubing, precision pipe cutting, line boring, and a full range of mechanical support works.

We delivers specialized expertise across core industrial and construction services, ensuring the highest standards of safety and performance.

- **Electrical Services:** Complete solutions for the installation, commissioning, and maintenance of electrical systems.
- **Mechanical Works:** Expert equipment installation, piping, fabrication, and maintenance to ensure smooth operations
- **Fire Systems:** Certified installation, testing, and maintenance of critical fire detection and suppression systems.
- **Scaffolding Works:** Professional design and erection of safe, compliant scaffolding for all construction and maintenance projects.

Electrical and Mechanical Works

Expert Electrical Contracting Services

As a top-tier contractor, Fadila Abdullah Al Faraj Contracting Est.'s electrical division is trusted for its commitment to quality, efficiency, and performance. Our core electrical service capabilities include:

- **New System Installation:** We design and build new electrical and lighting systems focused on long-term efficiency and reliability.
- **Upgrades & Retrofitting:** We enhance the performance and safety of existing systems through strategic upgrades and modernization.
- **Inspection & Testing:** Our team conducts comprehensive electrical inspections and testing to ensure safety and compliance.
- **Repair & Maintenance:** We provide responsive and reliable repair services to minimize downtime.

Complete Fire Alarm & Firefighting Solutions

We think that we are your single, reliable source for comprehensive fire alarm and firefighting solutions. We pride ourselves on being a complete system provider, meaning our clients can depend on us for all their fire safety requirements. Our expertise covers a wide range of technologies, including advanced addressable, conventional, and wireless fire alarm systems, as well as specialized gas extinguishing solutions and detector test equipment.

Professional Scaffolding Services for Any Project

FAFCO is a leading scaffolding contractor with extensive industry experience. We offer all our clients the highest standard of work at competitive rates, ensuring timely and reliable service for projects of any scale.

Our Expertise Covers:

- **Commercial & Industrial Projects:** Large-scale, complex scaffolding solutions for industrial towers, plants, and commercial buildings.
- **Residential & Decorative Works:** Safe and efficient scaffolding for painting, redecorating, roofing, and private home maintenance.
- **Specialized Applications:** Custom solutions for temporary roofing, specialized access towers, and other unique project needs.

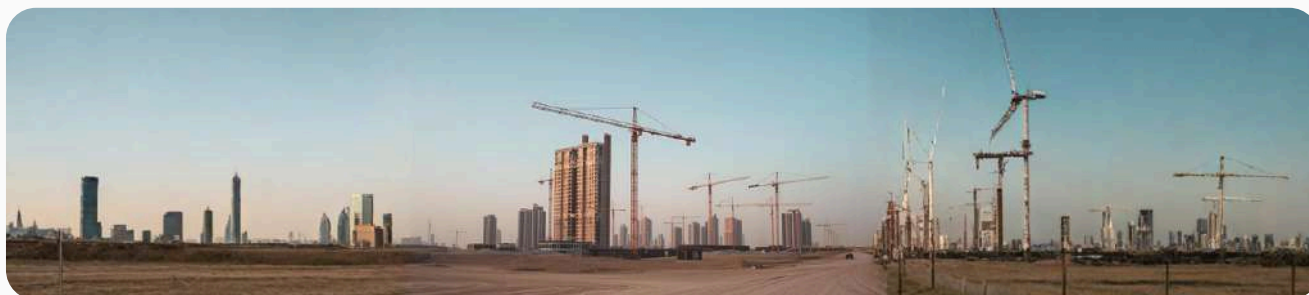

Industrial Construction

فافكو
FAFCO

Fadila Abdullah Al Faraj Contracting Est. offers turnkey solutions in Building and Civil Engineering, skillfully navigating the complexities of modern construction projects. We manage the entire project lifecycles—from conception to completion—utilizing our integrated in-house team for engineering, procurement, and construction (EPC). Our multi-disciplinary approach combines architectural, civil, electrical, and mechanical expertise to deliver exceptionally planned results. Our portfolio showcases a wide range of successful projects, from critical industrial works like petroleum construction and heavy equipment foundations to commercial centers, residential complexes, and large-scale industrial steel buildings.

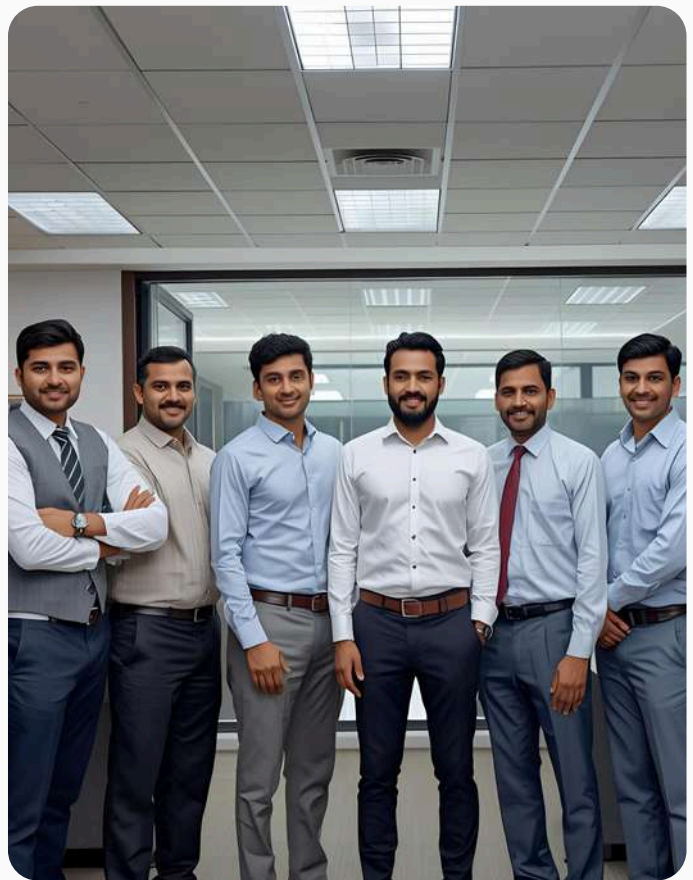

Support Services

فافكو
FAFCO

We deliver superior project outcomes through our skilled team and proven processes.

- **Expert Team:** Our efficient, dedicated team provides versatile project management, backed by heavy investment in training.
- **Rapid Mobilization:** Our global recruitment network quickly mobilizes large, skilled teams of tradesmen and engineers.
- **EPC Project Capability:** We specialize in executing entire EPC projects in the Petrochemical sector and actively seek new contracts.
- **Commitment to Quality:** We are dedicated to total quality, upholding the high standards that define our reputation.
